- Persons who are under medical treatment or who are not allowed to practice sports due to their illness(es) or who are restricted in their everyday life. (in case of doubt, the suitability is to be clarified with the attending doctor)
- Persons with physical disabilities who cannot be safely accommodated in the suspension harness or whose movement is too restricted. (stability, emergency descent, etc.)

Safety instructions

- The instructions of the staff must be followed
- The assessment of the necessary conditions of each user for the Zipline Annaberg is at your own risk
- Each user is informed about the safety rules (especially the body posture during the entire ride) with the help of a training session
- Each user must sign a **letter of agreement**
 - for children under 14.99 years of age, the letter of agreement form must be signed by a parent or legal guardian
- During the entire use of the facility, **smoking and alcohol are strictly forbidden**
- Any handling with **open fire or glowing objects** is strictly forbidden on the whole facility
- Passengers are not allowed to have any objects, e.g., sweets or chewing gum, in their mouths during the ride -> Danger of suffocation!
- Usage only with **closed footwear** that offers good stability and is equipped with slip-resistant soles.
 - Shoes must be closed all around and must not be able to fall down (not allowed -> open sandals, high heels, ...)
- **Items hanging away** from the body, such as scarves, ribbons, loose belts, loose jackets or sweaters, backpacks, and bags may not be taken on the ride (unless they can be stowed inside clothing if they have a secure hold in it)
- **Long hair** must be tied together
- **Long ribbons** on the clothes are safe to store in it
- **Pockets** on clothing that rest against the straps must not contain any solid or pointed objects. Jewelry or garments with hard points or similar (buttons, belt buckles, etc.) must also be taken off
 - - Attention! Risk of injury! Belts do not lie completely against the body
- **Ear inserts** (headphones, hearing aid, etc.) and jewelry can cause abrasions and cuts! --> take off before the ride! Any liability is excluded
- Persons wearing **glasses** must check that the glasses have a tight fit on the head. If necessary, the glasses must be secured by means of a rubber band
- **Attention strong magnetic field** in the rope roller
 - Distance from electrical devices, watches, irons, pacemakers and memory cards at least 0.5m
- Each harness and roller must only be used by one person at a time
- The equipment must be handled with absolute care. The user is liable for willful damage. The equipment must be returned complete and intact to the chairlift valley station.
